

Dear Dance Families,

I hope this email finds you all well and safe during this pandemic.

We have been trying our best to offer our dancers virtual classes along with continuing the recital dances with a goal to have our 28th Annual Production. We have also been offering some live Zoom classes and some special Instagram live sessions. The response has been overwhelming and it has truly brought tears to our eyes as we see our dancers working so hard while being isolated from their peers.

We, like all of you, are living with this pandemic one day at a time. We really cannot give you a definite answer as to when we will return to classes at the studio or when our show will take place, but we will keep you informed as we receive input from the CDC and our government officials.

Costumes have been delivered for our production. While some classes have been distributed, most of the costumes are at the studio awaiting the return to classes.

We truly want to make the show a possibility. We do realize we might need to adjust as far as venue, size, and length of the show. This is a huge undertaking, but the dancers have worked so hard all year and they deserve to be on stage. My entire staff is working closely with me and is committed to making this happen.

Our tentative plan regarding classes and tuition is stated below.

April 20 – May 9

April Monthly Tuition Fee will be charged in full amount on May 1st

- We will continue to email weekly classes via YouTube Playlists.
- All recital dances will be completed.
- We will email all edited recital music for each class.
- We will continue to offer weekly ZOOM Live bonus classes & Instagram live sessions.

May 11 - ???

No charge. We will freeze all accounts and the below classes will be free of charge.

- We will have bi-weekly recital ZOOM Live classes for 30 minutes each.
- We will continue to offer weekly Instagram live sessions and find other fun ways to keep the dancers connected and engaged.

Possibly start sometime in June for 4 weeks, ending with our recitals.

May Monthly Tuition Fee will be charged at this time for the 4 weeks of in-studio classes. Date TBD.

- Dancers will receive costumes.
- We will run a full week class schedule while taking precautionary measures.

We know that times are uncertain and that each family is experiencing a different situation due to the onset of this virus. We are here for you and will work with you. We appreciate your continued support

as we navigate through this together. We look forward to the day when we can see all the dancers in the studio again and witness the joy that dance brings to them.

With love and hope,

Debbie
